CS 351 Programming Languages
SP 18   Due Friday May 11 by 3 PM
Java Programming Assignment Specifications

Do exercise 4 in Chapter 13, page 595.

Deliverables

- Add a comment in your program with your full name.

- Create a README file describing how to compile and run your program on empress. Create a compressed file to include this README file and your program file(s).

- Upload your compressed file to Cougar Courses by Friday May 11 before 3 PM. Otherwise, Cougar Courses will close submissions and I will not accept emailed assignments.

- Follow instructions to receive full credit.
